Vivek Karbhari Parde
React Developer

I am a fast learner with a strong passion for front-end development and a focus on creating efficient and user-friendly web applications. I am seeking an opportunity to work in a collaborative environment where I can further enhance my skills and contribute to meaningful projects. I am open to internships, entry-level positions, or any opportunity that allows me to grow as a React developer. I am a dedicated team player, eager to learn from experienced professionals and contribute to the success of the organization.
